

Terms and Conditions

These general terms and conditions of business are applicable to bookings made directly with Anywhere in Africa Safaris CC (referred to in these terms and conditions as AIA).

AIA is a **Tour Operator**, not a Travel Agency. We therefore, contract and operate with the relevant service providers subject to the specific terms and conditions of property owners, suppliers, and other travel-related operators that we use (hereinafter referred to as the "Third-Party Suppliers). These Third-Party Suppliers are carefully vetted and selected by AIA. The conditions stipulated herein (AIA T&C) and the terms and conditions of Third-Party Suppliers (Third-Party T&C) apply to all enquiries, advice, quotations, tour packages or estimates addressed to, provided by or bookings made by AIA.

AIA makes every effort to engage quality Third-Party Suppliers among the airlines, hotels, tour operators and other service providers to provide the travel products making up the Tour featured and to ensure that the various services making up the Tour will be carried out efficiently and as specified. AIA does not, however, have direct control over the provision of services by suppliers and shall not be liable for any loss, damage, injury, additional cost, accident, delay, irregularity that may be occasioned by any error or default, act or omission of any supplier in carrying out the arrangements of the Tour, or otherwise in connection therewith. AIA shall not be responsible if animal sightings or special requests cannot be obtained or procured, and that there will be no claim against AIA in this regard. AIA will, however, endeavour to assist and/or advise you as best we can in this regard. The Third-Party T&C (which is often constituted by the ticket issued by them) shall constitute the sole contract between the Third-Party Supplier and the Client and any right of recourse the Client may have, will be solely against such then Third-Party Supplier.

1. **BOOKING PROCESS**

- a) The Client / Traveller is responsible to inform AIA of any bookings, confirmations, booking amendments, reductions or cancellations of rooms or services in writing by email to enable AIA to make the required itinerary changes. The onus of proof of delivery will rest on the Client / Traveller, who acknowledges and agrees that the booking process will be facilitated through AIA and any changes and amendments must be done through AIA and not directly with any of the third-party suppliers.
- b) Provisional booking periods are determined by third-party suppliers and AIA reserves the right to release reservations if the provisional booking period is reached with no confirmation and/or deposit received from the Client / Traveller.
- c) AIA, at the request of the Client / Traveller in writing, will attempt to extend provisional bookings. Any extension of any provisional period will, however, remain at the sole and unfettered discretion of third-party suppliers.
- d) It is recommended that the Client / Traveller be in possession of the required deposit payment before confirming any reservations with AIA, to avoid any delays in confirmation.
- e) We require updated copies of all Client / Traveller's passports upon confirmation of booking.

As a result, AIA cannot confirm the standard to which Third Party Service Providers protocols adhere to and as such we cannot accept any form of liability (in the broadest terms), should you (or a member of your party) contract an infectious disease (including Covid-19) when using the services of a Third-Party Service Provider.

At this time, deferral of travel plans remains the best option to ensure monies paid are retained for future use. AIA will continue to deal with each request for postponement or cancellation on a case-by-case basis, and we will assist as far as possible within the confines of the terms imposed on us by the relevant suppliers.
